

- FREYA HOFFMEISTER'S RACE AROUND AUSTRALIA -

The President and Committee of the Victorian Sea Kayak Club invites

Rohan Klopfer and Associates of East Coast Kayaking

To join in the celebrations either in person or in sea kayaking spirit at
Caffyn Cove, Queenscliff, Victoria.

Here we will welcome home Freya Hoffmeister on the completion of her solo
circumnavigation of mainland Australia.

In emulating Paul Caffyn's 1982 Expedition, Freya will go down in history as the first
woman and only the second person ever to complete this challenging voyage.

We invite you to maintain contact with potential arrival dates via our club website at
